Flock Safety

Just a reminder that our webinar on the groundbreaking Flock Safety Raven® audio detection system is happening this **Wednesday, July 17th at 1 p.m. ET / 10 a.m. PT**. Gain a deeper understanding of how this technology pairs with LPR and video for a comprehensive safety solution.

Experience firsthand:

- Automated alerts that notify agencies of gunshots, aiding faster response and evidence

preservation.
- Integration capabilities with Flock Safety Falcon® LPR for enhanced situational awareness and crime pattern identification.

Enhance your agency's operational effectiveness with AI-powered audio detection. We look forward to having you join us!

Don't miss out on seeing how integrating AI can make your community safer.
